A Word From the Sale Manager

There is no stiffer test than the show ring. It is an acid test in the cattle industry. Few breeders ever achieve the distinction of breeding an International first prize winner. At the 1951 International the "Browns of Kentucky" bred and exhibited two individuals of their own breeding that were good enough to win first prizes. . . a record seldom equalled.

The rise of the "Browns of Kentucky" to leadership in the Shorthorn industry is no surprise to those who know the owners and managers of these establishments. This is not an organization to stand still and rest on its laurels. Two outstanding herd bulls have been added recently to the already powerful battery. These are Ashbourne Bank Mercury and Saltoun Royal Aristocrat. Twenty-three sale heifers are bred to the latter.

At the request of the owners, the footnotes contain only factual information about breeding dates, production records, and show winnings. However, I wish to take this opportunity to state that those who purchase in this sale will obtain an ideal combination of individuality and proven ancestry.

Our Invitation

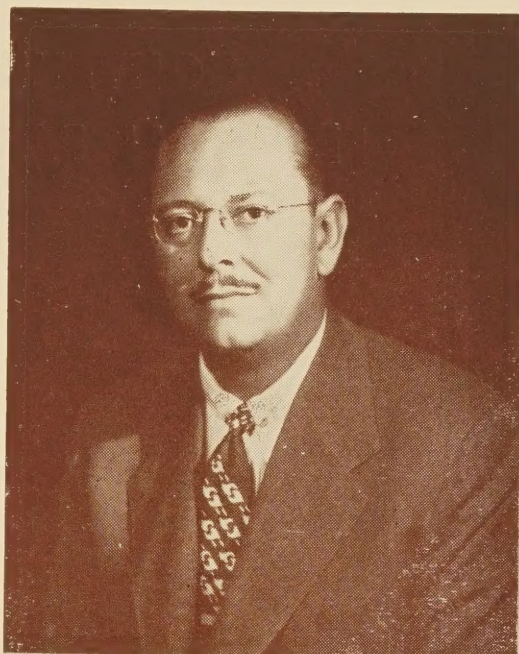

We hope you will do us the honor of attending our Second Annual Sale. We hope also that you will spend some time with us inspecting the herds. If you will study the map on page four you will note that the three farms are so located that a visit to each is easily possible.

The three herds now total 203 brood cows. Counting today's calves, there are at present 380 head. With such numbers we are able each year to present an offering worthy of your travel and time while still following a constructive program of herd improvement.

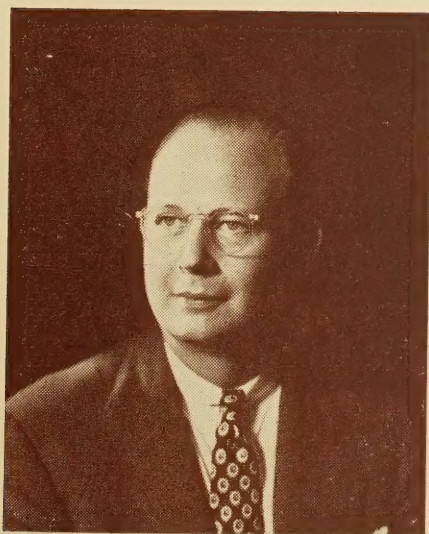

Because we have been fortunate in our herd bull selections, we feel it is only fair that we share the coming calf crops with the public. For this reason we have listed in this sale a total of 38 females that are bred to Imp. Saltoun Royal Aristocrat, Sni-A-Bar Randolph and his two grand cham-

pion sons, Ashbourne Bank Mercury and Ashbourne Top Mercury. We are firm in our belief that each calf born from these matings will be worth the price paid for the dam.

We look forward with pleasure to your visit on October 25th.

Sni-A-Bar Randolph—Twice an International reserve champion and a member of the first prize get-of-sire, first prize pair of yearlings, first prize two-bull and three-bull groups at the International Livestock Show. Although a great show bull, his real recognition in Shorthorn history will be as a sire. In 1950 we exhibited his first calves. They won the get-of-sire at the 1950 Eastern National. In the 1951 International we exhibited six Randolph calves, winning first prize senior yearling, first prize junior bull calf, second prize two-bull group, second prize senior heifer calf, fourth prize junior heifer calf, fourth prize senior get-of-sire, first prize pair of calves, and first prize junior get-of-sire. The 1952 show record of Randolph calves is equally impressive.

Prince William 15th—Grand champion bull of the 1949 Kentucky, Indiana and Ohio State Fairs and the 1949 Eastern National. This popular show bull has proved himself an outstanding sire. We call particular attention to the Prince William 15th-Sni-A-Bar Randolph cross, which is found in a number of the 1952 sale entries.

Saltoun Royal Aristocrat. Pictured at the time of his purchase.

Above and below are unretouched snapshots of Saltoun Royal Aristocrat taken recently at Brown-Forman Experimental Farms.

23 Sale Heifers Bred to Him . . .

A feature of this sale will be 23 heifers selling bred to the \$7,000 Saltoun Royal Aristocrat. The reports from breeders who bought females bred to him in the Mathers' sale about the outstanding quality of the calves are highly gratifying to us.

Ashbourne Bank Mercury—This is the son of Sni-A-Bar Randolph that we have selected to retain in the Browns of Kentucky herds. He was the first prize senior yearling bull at the 1951 International, also won this same honor at the Eastern National and was grand champion at the Ohio State Fair. Four of the sale heifers are bred to him. His calves have arrived and show great promise. We want you to see them on sale day.

This is Sni-A-Bar Randolph's 1951 junior get that placed first at the International. Two members of the group came back in 1952 to win grand champion bull, reserve grand champion female awards at the Ohio State Fair.

We took six entries to the 1951 International . . . a senior yearling and five calves. Everyone knows that the calf classes are the largest of the show, often running as high as forty. We won two firsts in class, one second, one fourth, and one seventh.

In the groups we placed second with two bulls, first with pair of calves, first on the junior get-of-sire, and fourth on the senior get-of-sire. No other herd, regardless of the number shown, bred as many top winners at the 1951 International.

The Strowan Farms auction will be held on Monday, October 27 at Fredericktown, Ohio. It is approximately 225 miles from Ashbourne to Strowan.
